

There's never been a better time to build a solid foundation!

A BUSINESS YOU CAN TAKE PRIDE IN...

CrawlSpace Medic was founded by a team of construction industry veterans and business and technology-focused entrepreneurs, who identified an unmet need for expert evaluation, diagnosis, and remediation of crawlspace issues.

Through our streamlined focus, our dedication to customer service, and by always treating our team members like family, we have built the CrawlSpace Medic business – and now **we are seeking qualified franchise owners to join our team.**

Become a true crawlspace expert. As part of the CrawlSpace Medic organization, you and your team can specialize in full service crawlspace repair and maintenance, and effectively diagnose and treat complex moisture and structural issues – all backed by our exclusive business model and extensive support system.

With start-up and add-on opportunities available for a variety of franchise candidates, there's never been a better time than now to join CrawlSpace Medic – and **take advantage of an incredible opportunity to build your own future!**

FRANCHISE OPPORTUNITY

**CRAWLSPACE
MEDIC**

A healthy home starts from the ground up

Everything You Need to Build a Strong Foundation

Crawlspace Medic is a uniquely focused, professional concept that brings enormous benefit to clients – and that is enormously rewarding for business owners, too.

Imagine owning and operating a business that helps clients achieve better air quality, lower energy expenditures, and increase their property values.

From initial inspection, to moisture remediation, to structural repairs, to warranty-backed maintenance plans, there are multiple ways you can assist your client base – as you grow your business.

Home is Where Opportunity Is

When you join Crawlspace Medic, you have instant access to a streamlined, efficient and flexible business model that can grow as you do.

Here's just part of what makes this opportunity so special:

- A Uniquely Focused Business Model with Limited Direct Competition
- A Growing Market Need for Crawlspace Inspection, Remediation & Repair Services, in Both Existing & New Homes
- A Broad Client Base: Homeowners, Industry Professionals & More
- And, the Full Support of Our Dedicated Team

Professional Support for Your Business

We have you covered for all your business-building needs! We are committed to sharing our industry knowledge with you – whether you're starting your Crawlspace Medic franchise from the ground up, or supplementing your current business base, you will have a full range of tools and resources available to you:

- Territory Definition & Office/Warehouse Start-up Guidance
- Comprehensive Pre-Opening Training
- Established Equipment Vendor Relationships
- Business Technology Tools Access
- Detailed Operations Documentation
- Local Marketing Assistance
- Ongoing Training & Support
